OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE,

From

K.S. Doraswami Iyer Esquire,

Offg. *Inspector-General of Police in Mysore.*

To

C.S. Balasundaram Iyer Esquire, B.A.,

Offg. *Secretary to the Government of H. H. the Maharaja of Mysore, General and Revenue Departments.*

Sir,

With reference to Government Proceedings No.J.969-70/Police.45-11-4 dated 16th September 1911 sanctioning the opening of two Jui Juitsu schools at Bangalore and in continuation of this office letter No. 1689/188 dated 30th October 1911, I have the honor to state that a Jui Juitsu class attached to the Head Quarter Police Training school was started on the 13th December 1911 in a temporary shed constructed in the Parade ground, Fort, Bangalore.In addition to the men selected from the Special Reserve and the Police Training School men have been sent for from the Tumkur, Kadur Chitaldrug, Shimoga and Hassan Districts for training. For want of a separate accommodation, the Jui Juitsu school attached to the Bangalore District has also been ordered to be held in the same shed temporarily.

2. With a view to provide permanent accommodation for holding the two Jui Juitsu schools sanctioned for Bangalore, I requested the Executive Engineer, Bangalore Division to prepare a plan and an estimate for the

for the construction of a building for holding the two schools. The plan and estimate for Rs.2970/- received from him are herewith forwarded for sanction.

3. As the classes had to be started at once, I issued orders to my Office Assistant to have a temporary shed put up and start the classes. Accordingly the shed was constructed, the necessary things were purchased and the class was opened on the 13th December last. I inspected the Pandal on the 25th December last. It is pretty strong and will answer the purpose till a permanent building is constructed. The cost of the shed is Rs.244-3-1 and that of the platform is Rs.190-5-9 as per bill herein enclosed. In the Government order quoted above a sum of Rs.270/- has been sanctioned for the construction of 2 platforms alone(wood work is provided for only one platform) without any provision for accommodation for the platforms. The expenditure for the shed as well as a platform comes up to Rs.434-8-10 which seems to be moderate, considering the cost of materials now prevailing in the Bangalore City.

4. As it is not possible to meet this expenditure by a re-appropriation of funds from any of the sanctioned heads of the Police Budget, I request that you will be so good as to move the Government to sanction a special allotment.

5. I request also that early sanction may be kindly accorded to the construction of a permanent building with corrugated iron roofing as per plan and estimate referred to above.

I have the honor to be,

sir,

Your most obedient servant,

Offg.Inspector-General of Police

... Govt. in their proceedings no. J969-70-Police 45-11-4 dated 215
the 16th September 1911 sanctioned an outlay of Rs 270 for platforms for the classes in question and directed that the amount be met by reappropriation. The J.G. now states that a temporary shed had to be put up and a platform erected for the classes at a cost of Rs 436-8-0 and that it is not possible to meet this amount by reappropriation. He therefore requests for an additional allotment therefor. Further he forwards a plan and estimates amounting to Rs 2970 for constructing a permanent building for the classes.
